

**IN THE UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF WASHINGTON**

STEPHEN CHRISTOPHER WRIGHT,

Plaintiff,

v

MELISSA Marie OAKS,

BROOKS A RAY,

CIDNEY DANUSER,

Defendants.

Case No. 3:2020-cv-06229

TRIAL BY JURY DEMANDED

I. Plaintiff's Preliminary Injunction

1. Comes now the Plaintiff seeking a preliminary injunction. This injunction is critical for the Plaintiff to obtain in order to remain in equal standings of equity during the process of this litigation, and to prevent the misrepresentations of fact the Defendant Melissa Oaks has made to the Arkansas Office of Child Support Enforcement under alias name and with fabricated documents, and thereafter the Arkansas Office of Child Support Enforcement neglecting their duties and misrepresenting information to the United States Treasury Department, from further damaging the Plaintiff and his family.

2. The Plaintiff, Melissa Oaks, has utilized deception to financially gain and the United States Department of the Treasury has acted upon that deception and the Plaintiff Melissa Oaks has financially gained. The past bill related to coronavirus relief was affected and paid to the State of Arkansas whereas there has never been an order for the state of Arkansas to be paid money, and this was enabled by the Defendant's actions, and wilful actions Arkansas Office of Child Support Enforcement case worker Kim Grisham, as laid out below in chronological order.
3. The Plaintiff, Melissa Oaks, applied for services with the Arkansas Office of Child Support under alias "Mellisa Oaks".
4. The Plaintiff, Melissa Oaks, applied for services with the Arkansas Office of Child Support, to enforce a debt for the State of Arkansas and utilized a fabricated document for support of debt.
5. Arkansas Office of Child Support Enforcement, Kim Grisham, misrepresented fact by submitting this debt being ordered from a non-existent court case supposedly arising in Garland Arkansas, to United States Department of the Treasury. Kim Grisham had a responsibility to ensure the debt existed and was lawful, as well as verify the identity of the applicant and ensure it matched the order, and Kim Grisham failed all those obligations and neglected her duties as a result while working under color of law. In addition Kim Grisham wrote in a correspondence letter to the Plaintiff that she asked the state of Oklahoma to verify an Oklahoma Order, however documentation provided by the Agency shows the order was actually submitted for an order from a non existent court case in Garland County Arkansas and NOT Oklahoma.
6. United States Department of the Treasury then withheld the Corona Virus Relief for the State of Arkansas from the Defendant.
7. United States Department of the Treasury then withheld the tax refunds for the State of Arkansas from the Defendant.
8. The State of Arkansas will again take the CoronaVirus relief and tax refund of the Plaintiff, utilizing a fabricated false document, from the Defendant unless this injunction is granted.
9. The Defendant will continue to be deprived of his right to due process of law protected, by the 14th Amendment to the United States Constitution, that would otherwise allow this debt to be discharged because an Arkansas court case doesn't exist. There is NO court case

for this litigation to be litigated in because there is no court case that orders the Plaintiff to pay the State of Arkansas ANY monies.

10. The Plaintiff has called and attempted to talk to the AOCSE case worker multiple times, has never been able to speak with the case worker, and has never been called back after the misrepresentation of facts were brought forth to the person answering the phone for AOCSE.
11. The Plaintiff will continue to be defrauded if this injunction is not granted, and the Arkansas Office of Child Support Enforcement will continue to enforce non existent court orders because they cannot close the case because a dismissal for a fabricated court case cannot be provided because the case does not exist and there is no process otherwise to cease enforcement unless the agency chooses too. The agency has the grounds to close the case on their own merit due to the false misrepresentation of fact provided by the defendant Melissa Oaks, however they have chosen to continue to wilfully enforce known erroneous actions against their own regulations, state law, and the United States Constitution.

I swear the information provided in this document is true and accurate to the best of my knowledge

RE: Arkansas OCSE case number 367533618

Dear Mr. Wright:

Thank you for your email to the Federal Regional Office of Child Support Enforcement regarding your concerns about your case. Your inquiry has been referred to me to research and answer. I have thoroughly reviewed your case and details regarding your case are as follows:

- A Temporary Order was entered on July 25, 2016 in the District Court of Oklahoma County, State of Oklahoma under docket number FD-2014-51. The order states that you were properly served on April 20, 2016 and failed to appear for the hearing. The court set your child support obligation at \$337.22 per month beginning February 1, 2014. The order states that you were to make all payments to the Oklahoma Department of Human Services, State Distribution Unit, P.O. Box 268849, Oklahoma City, OK 73126.
- A Decree of Dissolution of Marriage was entered on September 20, 2016 in the District Court of Oklahoma County, State of Oklahoma under docket number FD-2014-51. The Decree states that you filed responsive pleadings and were represented Pro se and failed to appear. The court granted a judgment in the amount of \$8,916.60 as of July 1, 2016 and states that current support is to be set at \$337.22 beginning February 1, 2014.
- The custodial parent applied for services with Arkansas Child Support Enforcement and a case was opened on July 18, 2018.
- The Oklahoma Child Support Services was contacted to verify if payments had been made through their office. Per a letter dated July 24, 2018 from the Oklahoma Child Support Services, no payments have ever been received through their office.
- The custodial parent has signed a Direct Payment Statement stating that she has received no payments directly from you for the period of August 1, 2016 through August 28, 2018.

- The Arkansas caseworker contacted the Oklahoma Child Support Services Office and verified that there was a case with them, but their case is currently closed.
- On March 28, 2019 the caseworker mailed you a copy of the court orders and the affidavit of arrears. She requested that if you had any other court orders or proof of any payments not reflected in the affidavit to please provide a copy of them to our office. As of today, she has not received any additional documents from you.

Pursuant to Title IV-D of the Social Security Act the Arkansas Office of Child Support Enforcement is currently enforcing the Oklahoma Divorce Decree which set support at \$337.22 per month and granted a judgment for \$8,916.60 for unpaid child support for the period of February 1, 2014 through July 1, 2016.

If you have any other questions or concerns, please do not hesitate to contact your caseworker, Kim, at the contact information listed above.

Michelle Middleton
